Dear Karl:

We have really enjoyed working with your firm, however, as previously discussed, due to a change of circumstances, Cell Genesys would like to transfer the patent work currently handled by your firm to Steve Kelber's group at Piper Rudnick. Pam Sherwood will be working with Linda Judge to insure that all actions with due dates through October 15, 2004 are completed prior to the transfer. Pam has agreed to provide a current docket and status report at the time of shipment.

Please forward all Cell Genesys patent files to Piper Rudnick at the address provided below such that all cases are shipped by October 15, 2004. Our understanding of the list of cases to be transferred is attached. Please provide a list of the cases actually shipped at the time of transfer.

Please ship the cases to:

Steve Kelber  
Piper Rudnick  
1200 Nineteenth Street NW  
Washington, DC 20036-2412  
(202) 861-6675
